

## Sargent & Greenleaf Names Brian Leary as President

*Announcement Brings Tenured Leadership To Help Drive Growth Across All Business Sectors*

**NICHOLASVILLE, KY (NOVEMBER 15, 2023)** – A world leader in high-security locks and locking systems, Sargent & Greenleaf (S&G) has appointed Brian Leary as its new president, effective today. The announcement was made by Chris Casazza, Chief Executive Officer, S&G Family of Brands, to whom Leary will report. As president, Leary will provide strategic leadership across all areas of the company, guiding the day-to-day management and spearheading key corporate growth initiatives.

“I’m thrilled to have Brian back at S&G in this key leadership position,” said Casazza. “His knowledge and relationships with our key suppliers and his strong connections with our customer base makes him uniquely qualified to further solidify the company’s reputation as a manufacturer of high-quality, innovative products.”

Leary brings more 25 years of experience in commercial and retail security and building products, including nearly four years as Chief Operating Officer of S&G when the company was under former parent company Stanley Black & Decker. He joins S&G from Senneca Holdings, where he served as Executive Vice President of Business Development for the PE-backed diversified products company. His prior roles within Senneca included President of both the Commercial and Industrial Group and the Industrial Business Group.

“I’m excited to work alongside the S&G team to build upon the strong legacy the company has established in the marketplace over the past 160-plus years,” said Leary. “And I look forward to helping S&G maintain our leadership position at the forefront of the high-security industry.”

Before his tenure as COO of S&G, He served as Senior Vice President for the Precast Concrete Division at Reading Rock, Inc. Before that, he led Allegion’s Commercial Door Systems and Hollow Metal division as General Manager, part of the business group that included the Von Duprin, LCN, Steelcraft and Ives brands. He started his career as Group Product Manager for the Bathing Fixture and Sink Division at Kohler Co.

Sargent and Greenleaf delivers proven security solutions that protect people and assets at home, at work, and in communities around the world. For the past 160+ years, our high-security locks and industry expertise have been trusted by governments, banks, and businesses of all kinds to meet their security needs and counter emerging threats. S&G’s portfolio of high-quality electronic and mechanical locks are used in a wide range of applications including gun safes, commercial safes, ATMs, vaults, and highly sensitive SCIF environments.
